Dear Parents,

We are so thankful for the dancers, parents, faculty and staff who choose Turning Pointe. Please take a moment to read important announcements in our newsletter and let us know if you have questions. Thank you for dancing with us!

Inclement Weather Policy Reminder

We do not follow the Howard, Baltimore, or Anne Arundel school system regarding studio closings.

In the event of inclement weather contact the studio to check for closures or delays. Call 410.799.1333, visit turningpointedanceacademy.org or check our social media for information. Classes missed because of inclement weather will not be made up. Please make a safe decision but do not feel obligated to come to class if the weather is bad.

Costume Fees added to Accounts Dec 1st

The fee per class is \$75.00 + tax. For your child to receive a costume, this fee must be paid in a timely manner. Cecchetti students participating in the ballet production have a costume fee ranging from \$75.00 to \$100.00. These costumes are invoiced closer to springtime once roles have been determined.

Costume fees cover the cost of the costume only. Shoes and tights are the responsibility of the dancer/ parents. Please check with your classroom teacher for specifics about tights and shoes.
