Dear Parents,

What a whirlwind first two months of the 2022/2023 season! Classes are booming and students are off to a great start. We're so pleased to offer our ever expanded schedule with unique classes like Floor work and Composition, Teacher Training Level 2, and Contemporary Ballet. A few spots remain open on our Saturday morning schedule. If there is a little dancer in your life interested in trying a Creative Movement or Combo class we invite them to take a free trial. We look forward to a wonderful year with your dancers!

Costume Fees Added to Accounts Dec 1st

\$75.00 + Tax

Shoes and tights are the responsibility of the dancer/parent and are NOT INCLUDED in the costume fee. Once distributed, families are responsible for keeping costumes clean and protected. It is customary for costumes to need minor alterations once they arrive. They are easily done at home by parents and we can talk you through it. Don't Worry!

Ballet production costumes billed separately.
